

Freedom vs America

by sam Thursday, Mar 20 2014, 9:03am

international / prose / post

And the winner is Freedom, as it has always been!

We are so glad the USA is its own worst enemy.

[This post is a demonstration to the previous writer that one could make the point in two short sentences. Furthermore, the USA is so bereft of creative thinkers that a single astute individual could take it down armed only with a keyboard; as a matter of fact, we have numerous skilled individuals doing exactly that.]
