Cheney speaks candidly after Kuwait

Is it now time to arrest and hold the guilty accountable, the criminal neocons, the coalition of willing criminals (Bush Blair and Howard) and everyone that pursued the lunatic neocon agenda, like Obama and H. Clinton? Every administrative official that followed the agenda and policies of fanatic ultra-right wing psychopath Paul Wolfowitz and his Chicago school of lunatic cohorts. Watch the following video of Cheney speaking ACCURATELY about Iraq after the Kuwait intervention and realise that various U.S. administrations went in with EYES WIDE OPEN promising that their criminal actions would make the WORLD a safer place.

Well, I have a question for YOU, is the world a safer place after 10 years of U.S. perpetual war doctrine, well, IS IT?

Should we now hold the guilty accountable and prepare the gallows for dozens of American, English and Australian WAR CRIMINALS for their participation in the catastrophic FIASCO they have CREATED? Need I also mention the MILLIONS of innocent CIVILIANS they willingly murdered to appropriate the resources of invaded nations? These LYING criminals are KNOWINGLY DIRECTLY RESPONSIBLE for the first criminal holocaust of the 21st century, or should we go back to sleep and believe the fantasy propaganda that issues from the 9/11 commission, FOX NEWS and other CFR outlets worldwide?

All LIES and look at Iraq today after the U.S. and its lackey allies, Blair and Howard, DESTABILISED

the entire REGION!
