Regardless of how accurate or inaccurate recent reports about the recent U.S./Saudi backed ISIL insurgency, the 'main (globalist) game' progresses full speed ahead. And what pray tell is the main game, which everyone seems to have forgotten, PNAC and the globalist interests behind it?

We forget too easily that modern ruling elites do everything in plain sight, the CFR, Bilderberg, Trilaterals etc, that DICTATE POLICY TO WESTERN GOVERNMENTS, are not secret organisations, anyone that does a modicum of research realises immediately they are ALL the work of a tiny mega-wealthy global elite hell bent on creating a neo-feudal society of monarchs and serfs; their methods are also in plain sight and recorded in popular discourse. Who remembers the neo-con that OPENLY mocked leftist commentators and critics, and stated, to paraphrase; *'while you people analyse and engage in all sorts of discussion about what we have DONE in Iraq and elsewhere we press on DOING,'* inferring that the ultra-right is one, two, three even steps ahead of the game that critics are playing in their sand pits of self-importance!

And so it is that the left and most contemporary critics are led like the stupid imbeciles that they are on this never-ending goose chase, WHEN JUSTICE DEMANDS THAT THE KNOWN GUILTY PERPETRATORS OF COUNTLESS WAR AND OTHER CRIMES AGAINST HUMANITY, BE BROUGHT TO TRIAL FOR THE OBVIOUS, INNUMERABLE, RECORDED CRIMES THEY HAVE COMMITTED IN IRAQ AND OTHER REGIONS! Why take your eyes off the ball?

Existing laws are easily able to deal with these criminals if the people demand trials in open public courts with a judiciary uncorrupted by the elites -- the Hague courts are a BIASED circus where only US/NATO 'enemies' are placed on trial.

Uncorrupted people's courts are easily able to dispense justice to the likes of 'the coalition of willing criminals' and those that participated in their HORRENDOUS war and other crimes AGAINST HUMANITY -- some of which amount to millions of INNOCENT DEAD civilians -- a human HOLOCAUST in other words!

IT is plain historical FACT THAT BLAIR, BUSH, HOWARD AND COHORTS -- the coalition of willing criminals -- LIED in order TO ENGAGE IN PREEMPTIVE WARFARE, which resulted in the FIRST HUMAN HOLOCAUST of the new century -- I mean is there anything more culpable than mass murder?

Wake the fuck up you easily led wankers and focus, without distraction, on JUSTICE and bringing known CRIMINALS to ACCOUNT -- that action remains the most EFFECTIVE REMEDY AVAILABLE for ALL THE ongoing PROBLEMS the WORLD FACES TODAY -- ARE YOU ABLE TO SEE?
