

## Truth/Eternity

by wisp via stan - Oz Underground Poetry *Tuesday, Jul 1 2014, 3:34am*

international / poetry / post

my eyes were closed  
the first time i saw the  
-- Light --  
the source of continuous  
radiance  
was independent  
of physics,  
language, culture  
or any discipline/qualifier  
you care to name

the quality of that  
Light was of everlasting  
it was indisputable  
-- Truth --  
not of opinion, interpretation,  
conjecture, geometric co-ordinates or  
any measurable method  
of location  
but of  
-- Perfection --

words only allude  
to the unutterable,  
ineffable splendour,  
the magnificence of  
-- Being --

other designators that indicate  
-- Infinity --  
exist in most languages  
a quality beyond measure  
and description,  
have you ever attempted  
to fit infinity into a finite  
linguistic box?

understand that whosoever  
claims to utter truth  
is a liar,  
though mystic poets  
are able to push language

to the necessary extremes  
to remind you or to trigger  
a recollection,  
a remembrance  
of who/what you really are

Yes, you have it,  
Truth (Infinity) is all-inclusive  
by nature,  
beware of those  
exclusivists that would  
attempt to divide the  
continuous whole,  
they are in opposition  
and rivers do not flow uphill,  
their hell is their reward --  
beware lest they drag you into  
the hole they have dug  
for themselves,  
their nightmare is NOT  
your reality

understand that (God) Infinity  
is unable to hide by nature,  
it saturates all existence, forever;  
you are surrounded, permeated,  
absorbed, saturated in perfection/  
-- Love --  
(my favourite designator)  
how is it you remain ignorant,  
unaware of the splendour?

Fear is the only barrier  
that is able to separate you  
from the knowledge and bliss  
you inherently possess;  
be perfectly clear,  
no cowards are able to enter paradise;  
from fear arises hate, violence  
and every perversity  
known to man

we are either reduced to  
cowering, cringing  
slaves or we assert our  
universal Love in unity,  
and harmony  
and reclaim our  
rightful inheritance.

i could have reduced this piece

to two words  
-- Eternity/Love --  
but you wouldn't have  
believed it was You
