Yes, its been occurring since powerful Zionist Jews, the Rothschilds in particular, conspired to steal Palestinian land to create, from theological myth, the modern State of Israel. Since then the Zionists have undertaken a comprehensive genocidal campaign to remove all Palestinians, the Semitic brothers of the Jews, from the land that has been their home since before written history -- there is no greater claim to territory than continuous occupation, something scattered international Jews could hardly claim.

Nevertheless, the Zionist terrorist takeover of Palestine occurred soon after WWII after Zionist extremists bombed the British occupied King David Hotel -- that's gratitude for ya -- as it was the governing British that surrendered the territory to the Zionists! But again what are the British today but pawns of the mega-wealthy, privately owned, Reserve Banking Cartel, of which the Rothschilds remain the most powerful group.

Occupying a stolen illegitimate State has left the Jews in a quandary, every Palestinian alive today reminds every Jew of the illegitimate takeover of Palestine and the FACT that Israelis are thieves. And so, to alleviate the guilt, the Jews have implemented the genocidal policies and dictates of THEIR CLEARLY psychopathic, homicidal God -- see Deuteronomy and Joshua -- to rid the region of Palestinians. In simple precise terms, Jews could care less for any life that isn't Jewish, as their sociopathic God has told them they are special/exceptional and slaughtering non-Jews and stealing their wealth is how it should be done -- see previous references! Well, sick, Sick, SICK, is your name!

I am neither a Jew nor a Palestinian, and I have some news, my universal 'God' of JUSTICE condemns all Jewish crimes against humanity and reminds the world that Israel has created a concentration camp of the Gaza strip and allows no free trade or movement of any food, water, goods of any sort, to enter Gaza without rigorous oversight -- and extremely limited are the basic goods allowed to enter.

Gaza Palestinians have been living in a Nazi style open concentration camp for decades AS the entire WORLD watches impassively on! So again, who is at greater fault, the openly declared genocidal, CRIMINAL JEWS for doing what their man-made 'God' instructed them to do -- slaughter babes, women, children, every mammal alive, then steal their wealth -- in this instance, OIL and GAS reserves off the Gaza coast -- OR is the global population to blame for sitting back and allowing fellow human beings to be REPEATEDLY terrorised and slaughtered by Israel's psychopathic Jews?

Need I mention that the ICC and UN are totally owned by the USA, hence their inaction time and again in the face of the most brazen civilian slaughters including women and children seeking refuge in UN declared safe havens -- which have been intentionally targeted in every assault on Gaza since it all began, yet never a prosecution against Banker owned Israel.

Israel and America have never been held accountable for THEIR OBVIOUS crimes, especially continuing civilian slaughters, torture and illegal imprisonment or 'rendition.' So if you're wondering why the world is going to hell in a hand-basket, wonder no more -- it is Y-O-U that allows the current status quo to continue!

[There is a PRICE for turning your back on crime.]

The solution therefore clearly does not rest with CORRUPT International Regulatory 'Authorities' or governments, which have clearly been CORRUPTED, the RESPONSIBILITY for the REALITY we ALL live in today RESTS with the most powerful social force on earth -- the GLOBAL POPULATION!
