

There are NO exceptions ...

If a person is found to have intentionally LIED to obtain a higher position or benefits in the Corporate world or any other sector you care to name, they are immediately divested of any newly acquired benefits and ungracefully fired or removed from the position they LIED to obtain -- it couldn't be any clearer.

I am not a lawyer and cannot say whether Tony Abbott, who is **NATIONALLY KNOWN** to have LIED his way into Office, has breached Australian law, Constitutional or otherwise; however, as a sovereign Australian citizen I am able to say that the **LEGAL** powers invested in the **DEMOCRATIC MAJORITY** offer **REMEDIAL OPTIONS** to the people and nation for the **REMOVAL FROM OFFICE** of the **MOST HEINOUS LIAR** and scoundrel to have ever occupied the once honourable position of Prime Minister of Australia!

If State institutions fail to act or are seen to be corrupt the **PEOPLE** of Australia are able to exercise their **LEGAL PREROGATIVES** and **DEMAND** the **REMOVAL** of Tony Abbott, who currently occupies the Office of PM under **FALSE PRETENSES**, from his current position.

The only requirement necessary is an act of **WILL** from the same **MAJORITY** that was so treacherously and contemptuously **DECEIVED** by Abbott, Murdoch, Rinehart, 2GB and Liberal Party associates, to **CORRECT** the current appalling situation of Abbott destroying **TRADITIONAL AUSTRALIAN VALUES/CULTURE**; notwithstanding Abbott now running around the World making his usual demented speculative accusations and idiotic **INSULTING** remarks, to Australia's great expense as a nation.

This **LYING DUNCE** and his associates **MUST BE REMOVED FROM ALL POSITIONS OF RESPONSIBILITY NOW**, the **LEGAL OPTION IS** always **OPEN** to the Australian people! Abbott must be discharged **NOW** not in a few years time, as Joe Hockey would like us to believe. Abbott and his team are scoundrels, **LIARS** and incompetent **ASSES** -- recent history **VERIFIES THAT REALITY** -- he must be removed before he is able to do **MORE HARM** to the nation.

A nation-wide poll demanding Abbott's removal is able to be conducted by various on-line organisations, 'Get-Up' for example, and/or unbiased media groups. If the **PEOPLE** are of a **MIND**, Abbott and his team of callous, criminal **LIARS** can be removed and Oz **RESTORED** to a semblance of sanity and integrity **BEFORE** Christmas this year -- with an honest election to be set in the near future.
