

Laughable Dutch Report on the Downing of MH-17

by annie Thursday, Sep 11 2014, 11:21pm

international / prose / post

The cover-up western investigation and media report into the MH-17 shoot down is tragic if not ridiculous; it is already widely known that in a failed attempt to compromise Putin, two jet fighters under the command of the Kiev fascist government shot down MH-17 with rapid bursts of machine gun fire and 30mm aircraft cannon rounds, which flies in the face of yet another LIE that emanated from Washington almost before the wreckage of the jetliner hit the ground, i.e. that rebel forces used missiles supplied by Russia to down the aircraft.

Cockpit cannon penetration

THE ABSURD [DESCRIPTION](#) BY DUTCH INVESTIGATORS IS AS FOLLOWS:

"The airplane broke up mid-air as a consequence of structural damage caused by a large number of 'high-energy objects' that penetrated the aircraft from the outside".

In other words repeated machine gun and cannon fire; a forensic analysis is easily able to determine the facts, you subservient, cowardly, Dutch lackeys.

The Malaysian government should at this stage apply the greatest LEGAL pressure on Washington/Kiev and immediately undertake proceedings against the US backed Kiev government for reparation and all losses that have been incurred as a result of this murderous, FAILED, 'false flag' operation.

APPLYING THE LAW IS THE SUREST REMEDY AS THIS BILLION DOLLAR CASE WOULD BE PUBLIC AND THEREFORE WINNABLE; A PUBLIC CASE WOULD ALSO EXPOSE THE LUDICROUS AND INEPT TREACHERY OF THE PRINCIPALS INVOLVED IF THEY ATTEMPT TO EVADE THEIR OBVIOUS CULPABILITY. THE GLOBAL POPULATION HAS LEARNED MUCH SINCE THE TREACHEROUS BALKAN INTERVENTION AND THE BUNGLED FALSE FLAG 9/11 ATTACK.

See link for details of the downing of MH-17.

Machine gun fire on outer fuselage
