It is widely known that Oz PM Tony Abbott, has NO INTEGRITY whatsoever, he cannot be believed or trusted in any regard whatsoever, he desperately remains in office under false pretences and now attempts to utilise American tactics to [boost his image](#), which is currently in the sewer.

Tony 'disingenuous, lying' Abbott

We can be sure that if our tragic and clearly inept (see link) local intel agencies try any tricks we would, with the help of our insiders, be able to easily expose them and DEMAND their immediate arrest for treason and other crimes against the Australian people and nation -- so give it your best shot boys, your bosses the yanks are doing 'really well' in the MH-17 Ukraine and nerve gas Syria at the moment!
