

## Essential Home Truth

by jude Wednesday, Dec 3 2014, 12:42am

international / prose / post

*"You never change things by fighting the existing reality. To change something, build a new model that makes the existing model obsolete." -- Buckminster Fuller*

And the very first step in the process is of course to transform yourself in order to facilitate a new vision.

Properly armed with increased awareness, broader perception and a deeper appreciation, we are indeed able to transform the world.
