Constantly droning on about the status quo and the horrid reality of criminal rule changes NOTHING, you clowns. Isn't it about time you began outlining SOLUTIONS and taking steps to remedy what you constantly moan about in the most negative and hopeless terms?

Okay, we have established that the USA is behind the neo-Nazi fascist regime in the Ukraine as it was in Kosovo, supporting the terrorist group the KLA a decade past. America is also behind the creation of proxy fighting group ISIL which is supported by its vassals Saudi, Qatar, Israel and Turkey, so why drone on, the CRIMINAL PATTERN is as PLAIN as DAY? Yet instead of pursuing the REAL CRIMINALS the 'alternative' (my arse) media, drones on in descriptive terms not a pro-active remedial way.

The effect of constant description without offering viable solutions/alternatives is that it supports the status quo by 'naturalising' criminal rule as reality whereas in FACT criminals should be brought to trial and held accountable for their crimes, anodyne description is necessary but FOCUS should ALWAYS be on remedies and pro-active solutions -- so fuckin' wake up, please, as at present you are all, including 'renowned' commentators such as Hedges and Chomsky, indirectly supporting the status quo by merely describing/re-enforcing criminal rule and actions.

The problem is not the LAW it is the failure to apply it, we are all aware that the judiciary is largely corrupt, especially the US and Hague courts but that is not the problem the FAILURE to APPLY the LAW EXHAUSTIVELY AND THEN SCREAM WHEN OBVIOUS CORRUPTION IS DEMONSTRATED BY THE CRIMINAL RULING ELITES is the PROBLEM -- hound the bastards to hell and the people will move with you -- surely that is plain to see! Abandon non-solution based descriptive reporting in favour of pro-active remedial coverage and watch what happens.

It will no doubt take a little time but things are already at breaking point so that 'time' is nearer than you think! AGAIN, hound the corporate ruled criminals out of existence and that includes the mega-bankers all of whom are guilty of mass murder and instigating perpetual war -- these criminals are well known -- the statutes remain clear so FIGHT constantly and pro-actively for JUSTICE and you will achieve it.
