

Enough Bullshit and Treachery from Tony Abbott -- 2015 requires CHANGE

Abbott has ended the year as he started it, on HUGE LIES and the public, some commentators, including the ABC, have fallen for Abbott's LIES hook, line and SINKER -- and Australia will continue to socially sink while this minority (plutocrat) serving, duplicitous, disingenuous, lying scoundrel remains as leader of the Liberal Party.

Criminal fraud and pathological LIAR, Tony Abbott

Abbott who is now viewed by the Oz public, which foolishly forgot his track record when duped into voting for him, is now facing the rude REALITY of life under corporate serving, Washington errand boy, pathological LIAR and criminal FRAUD, Tony Abbott -- to say the Oz population has had a gut-full of Abbott is putting it mildly.

Abbott has resorted to a huge lie regarding why he broke his many core promises to the Oz people. The HUGE LIE is as follows: *Abbott claims that after he fraudulently gained office he was faced with circumstances which forced him to implement his callous and economically inept austerity program on one of the wealthiest nations per capita on the planet* -- if you didn't smell a rat based on the trillions of dollars that multi-nationals rape from our nation each year while avoiding their tax responsibility to Oz society, then you deserve to be screwed by this lying, minority serving pretender to the office of PM.

Well here's the TRUTH and the truth, not bullshit, sets Australia free of this CRIMINAL FRAUD and poisonous influence on Oz and his own Party.

Prior to fraudulently gaining office, a '[gala dinner](#)' was held for Abbott with plutocrats Gina Rinehart and Rupert Murdoch naturally in attendance -- you have never seen a more servile compliant, 'sucking' lackey in your life as Abbott on that night.

The dinner was not cloistered, those that wished to attend the fundraising event were able to purchase seats and attend. One such group was 'Getup' a well known lobby for fair government and other neglected important causes. Immediately after the dinner Getup PUBLISHED what was openly announced at the dinner -- and please note this is all before the federal election.

Getup named it a "wish list" for the corporates and plutocrats, however, I prefer to call it what it is,

Abbott's orders from the wealthiest in the nation in return for assisting him to gain office, thanks Rupert and Gina! The standout points of that 'wish list' are as follows, you will be astounded and thoroughly disgusted:

- * Public broadcasting - gone. The ABC to be broken up and sold off, SBS to be fully privatised.
- * Corporations to be allowed to make secret payments to political parties.
- * Medicare gone for most Australians.
- * A return to WorkChoices, just by another name.
- * The clean energy fund and the renewable energy target - scrapped.
- * Funding for sport, arts [and education] - including the Australian Institute of Sport - axed. Same for science, with the CSIRO to be privatised.

So it is clear Abbott's LIE about circumstances after he gained office is nothing more than another HUGE LIE from scurrilous scoundrel Abbott, and if you wish to see the entire appalling list, here it is:

The full 75 point list:

So much for another of Abbott's huge lies, he is simply acting as an errand boy for NON-REPRESENTATIVE, SELF-INTERESTED MINORITY GROUPS IN OUR SOCIETY.

Leopards and scumbags do not change their spots and Abbott should be placed on trial for fraudulently stealing the highest office in the land by calculated fraud and deceit.

My advice to the failing and apparently lost ABC is, lift your game, you should have run Abbott into the ground with this freely available information and exposed him as the criminal fraud and disingenuous LIAR that he is. As for other 'respected' political commentators, choke on it!

Abbott is clearly a minority serving lackey and poison for the Australian people/nation, he should be removed from office by his peers (if they know what's good for them) and placed on trial by the people for his OBVIOUS criminal fraud offences.
