

## **I am Charlie and Every Child that has died in Iraq, Afghanistan ....**

by suzie *Thursday, Jan 15 2015, 7:30am*

international / prose / post

Yemen, Somalia, Libya, Vietnam, Cambodia, Laos, Horoshima, Nagasaki -- and on it goes today with criminal drone attacks against the innocent.

Let's have a march and saturation media coverage for the MILLIONS of innocents killed by America, NATO and its vassal States or is that too much reality for the western world to cope with?

You do not have to be a prophet or genius to know what's in store for western Europe and the USA.
