If anyone continues to harbour doubts regarding Abbott's disingenuous leadership and the fact that he stole the office of PM by fraud, deceit and calculated LIES, then feast your eyes on this 'wish list' given to him by corporatists, plutocrats Rupert Murdoch, Gina Rinehart and other elitists at a PRE-ELECTION 'gala dinner.' NOTE that the following corporatist wish list was [published well before](#) Abbott LIED his way into the highest office in the land. So his FEEBLE excuse that his inappropriate policies are the result of previously unknown inherited circumstances is utter rubbish -- Abbott hasn't stopped lying since he lied his way into office, which highlights the contempt he not only has for the Australian people but for members of his own party. Pathological Abbott is clearly all about himself.

**Tony 'dunce liar' Abbott**

Tick off the un-mandated policies Abbott has already attempted to implement and the others he promised an unrepresentative minority to implement in exchange for support, are you reading this Mr Murdoch and Ms Rinehart?

This wish list constitutes prima facie evidence that Abbott never had any intention of serving the Australian people as the list is clearly the wishes of tax-avoiding mega-corporations, Murdoch and Rinehart -- you people are extremely fortunate that you also own the servile Labor Party as any REAL independent REPRESENTATIVE party would already have the matter before the courts -- who are you trying to kid, Shorten? Your inactions speak much louder than your feeble actions.

Getup named it a "wish list" for the corporates and plutocrats, however, I prefer to call it what it is, Abbott's orders from the wealthiest in the nation in return for assisting him to gain office, thanks Rupert and Gina! The standout points of that 'wish list' are as follows, you will be astounded and thoroughly disgusted:

- \* Public broadcasting - gone. The ABC to be broken up and sold off, SBS to be fully privatised.
- \* Corporations to be allowed to make secret payments to political parties.
- \* Medicare gone for most Australians.

\* A return to WorkChoices, just by another name.

\* The clean energy fund and the renewable energy target - scrapped.

\* Funding for sport, arts [and education] - including the Australian Institute of Sport - axed. Same for science, with the CSIRO to be privatised.

So it is clear Abbott's LIE about circumstances after he gained office is nothing more than another HUGE LIE from scurrilous scoundrel Abbott, and if you wish to see the entire appalling list, here it is:

**The full 75 point list:**

So much for more of Abbott's TRANSPARENT LIES, he is simply acting as an errand boy for NON-REPRESENTATIVE, SELF-INTERESTED, PARASITIC MINORITY GROUPS IN OUR SOCIETY.

Leopards and scumbags do not change their spots and Abbott should be placed on trial for fraudulently stealing the highest office in the land by calculated fraud and deceit.

Abbott is clearly a minority serving lackey and poison for the Australian people/nation, he should be removed from office by his peers (if they know what's good for them) and placed on trial by the people for his OBVIOUS criminal fraud offences.

***Abbott sucking up to the elite at 'gala dinner' -- pity it was ALL on record***
