Against public wishes and MAJORITY opinion, minority-serving, self-centred Oz conservatives appear determined to have THEIR way as they continue to take the people for granted -- first message is, pursue this course to your very great cost, you insular clowns.

Abbott sucking up to Murdoch -- makes you want to puke

Second message, which every Australian journalist is aware of yet tolerates, relates to another HUGE ABBOTT LIE, 'that the people elected him to office to clean up Labor's mess.' So let's hear it for the truth you spineless journalists -- ABBOTT LIED HIS WAY INTO OFFICE THEN IMMEDIATELY BEGAN TO SERVE MINORITY CORPORATE INTERESTS; Abbott and his masters couldn't give a shit about average Aussies, as HIS policies CLEARLY INDICATE.

Abbott steadfastly refuses to take unfair pressure off the 'have-nots' and vulnerable but continues to give the wealth-bloated 'haves' a free ride! Serving minority interests is CLEARLY not democracy, as democracy is MAJORITY rule either by direct participation or REPRESENTATION.

Now you tell me -- if a person LIES to your face to INTENTIONALLY deceive you, then immediately begins to screw you, does that person have your best interests at heart? That is the HARD REALITY of Tony Abbott and his out-of-touch conservatives; more of his FEEBLE, outrageous BULLSHIT, distractions and deflections, only serves to further anger the population.

It is clear by their actions that Abbott and his conservatives are continuing to ignore the wishes of the people, conservatives are presently engaged in rallying around a reprehensible LIAR and cheat that stole office by fraud and deceit -- the only interests Oz conservatives LISTEN to are fat cat corporate interests -- which is bloody obvious TODAY! You are NOT listening to the people and you never have Mr lying arsehole!

Abbott and the entire Lib front bench must be completely removed via a SPILL/challenge in order for fresh new blood to repair the damage done by LYING, arrogant Abbott and his HEARTLESS COWARDLY treasurer, fat Joe Hockey.

You want REVENUE, Joe? Then appropriately tax those that benefit most from the nation not those that benefit least, you gutless, insular, UNREPRESENTATIVE Liberal clown.

Australia remains one of the wealthiest per capita nations on the planet -- its problem is an unfair tax structure, inequity and the clearly unfair distribution of wealth, which is all facilitated by puppet governments like Abbott's.

Two sick lying bastards
