

The only people that don't know Obama is queer are Letterman fans!

by crier *Sunday, Sep 30 2012, 12:15pm*

international / prose / post

Everyone on Capitol Hill is aware that Obama is a fag, which is OK, so was Alexander the Great! But as you can appreciate the similarity stops with the homosexuality -- in every other respect Obama and Alexander are poles apart, especially when it comes to leadership, ability and integrity.

John Bolton refers to Obama as "limp wristed"
