and the pathetic, populist schoolyard politics of inhumane president, Joko Widodo.

Ignorant, schoolyard president, Joko Widodo

Also, not to be forgotten is the political point scoring (Labor) and coverups (Liberal) of our pathetic and cowardly politicians which could have shown some spine; and the FACT that the AFP said it would do it all again -- give Oz a break!

If any Aussie supports either major party again then Independent strong government will be forever lost. Lying Abbott is on record as saying our clearly incompetent and untrustworthy police are "the best in the world" -- who is he trying to kid this time?
