

## Unseen

by lyle *Wednesday, Jun 3 2015, 11:00am*

international / poetry / post

what bewitching power  
is projected in a glance?  
u were going up and i down  
we turned automatically as we passed,  
ur steely blue eyes latched onto my soul  
piercing  
thru my defences

i am now vanquished,  
an instant, a gaze  
and some strange fluid agent  
has wrapped me in ur cocoon
