

CIA Addicted to Civilian Killing Drones

by jude *Saturday, Oct 20 2012, 10:22pm*

international / prose / post

Over 80% of Drone Casualties, Civilians

Despite the fact that Drones are clearly imprecise weapons of terror, the cowardly CIA wants to expand its fleet of Drones; notwithstanding that the CIA is liable for every civilian killed, as it is NOT a military organisation.

The following information has been known for some time, however, it takes time for the Truth of US war crimes to percolate to the public consciousness.
