We the sheeple shall defer all our hard won liberties and rights to mega-wealthy, minority criminal elites responsible for eroding the very foundation upon which our Republic was formed. We shall close our eyes to genocide and all manner of crimes against humanity perpetrated by our puppet governments. We shall never question, protest or investigate the actions of the criminal elite and their owned puppet politicians or hold them to account for their crimes as we are no longer able to cope with reality.

We shall continue to be enslaved by the new surveillance and police state without challenge as we are brave and free to take selfies and watch the Kardashians on TV. We shall allow ourselves to be misinformed, lied to and deceived, for our own good as the elite sees fit. We shall forever turn our backs on our fellow human beings and the hardship, misery and bloody mayhem our incompetent puppet governments cause, as we have been told it's all to keep us safe and not for the profit of the few.

We are aware of our new inalienable rights to cower, cringe and live in fear and no foreign or domestic power shall ever deprive us of our right to be mindless, spineless cowards.

We shall allow the criminal elite to poison and pollute the planet for profit and shall never complain when trade deals rob us of our jobs, livelihood, homes and families. We remain free and are expendable. We shall fight in illegal wars planned and orchestrated by the elite for the profit of the few and misery of the many; we shall kill without hesitation our fellow human beings with which we have no personal grievance or argument.

We shall view those that confront us with the truth with the utmost contempt and allow the elites to oppress and incarcerate all truth tellers and whistle-blowers, regardless of how utterly absurd and unjust their offences and trials may be. Indeed, we do all this for the elite that despise our ignorance, cowardice and submission; we have faith in the big lie that everything the criminal elite plan and do for their own gain is for our own good, we are the sheeple.

We shall always report truth tellers, freedom fighters and activists to the police as they threaten our delusionary existence. We shall believe the most transparent and obvious propaganda and lies that issue constantly from the elite owned mass media. We shall comply with every demand placed on us by the unrepresentative, minority, criminal elite and kowtow to every outrageous, demeaning and oppressive demand.

This is our declaration, we comply, acquiesce and eat shit simply because we are the Sheeple.
