

What has the US/NATO Criminal Alliance Really Achieved with its Wars over the past 15 years? CHAOS!

Since the USA embarked on its now widely known criminal rampage under the now transparent and tattered veil of its 'war on terror,' the world clearly has not been improved one iota as promised by the lying, resource thieving hounds that designed the (PNAC) perpetual war doctrine in order to plunder the coveted resources of weaker nations. The world today is now a much unsafer place than it was prior to US/NATO embarking on its criminal misadventures, PLAIN to SEE!

Forget the constant distractions, obfuscations and misinformation that issues from the [CFR](#) directed western media/propaganda apparatus, simply OPEN YOUR EYES and you can't miss the stark, horrendous REALITY, and if you're able to add 2+2, which I doubt, determining the greatest threat to world peace becomes as obvious as the nose on your moronic, media-washed faces.

And so do we hear Obama, his neocon henchmen and assorted Washington psychopaths, "must go?" NO, all we hear/d is Saddam, Gaddafi and now al-Assad 'must go' -- talk about a classic Orwellian inversion of reality. Get a fuckin' grip, morons - plain REALITY has already trumped the FEEBLE lies that issue from Washington and Brussels.

Furthermore, two psychopathic female US Secretaries of State have openly admitted responsibility for US/NATO crimes, 'Mad' Albright openly stated on 60 minutes that the death of over 500,000 Iraqi children, due to US instigated medical embargos, was "worth it" - worth what, a barrel of stolen OIL, you stinking homicidal psychopath? Give me a break! And not to forget war-hen Hillary Clinton who chuckled when she blurted, before an interview, "we came, we saw, he died," referring to Gaddafi and US complicity in his death, and YOU vacuum-heads continue to swallow the media crap about 'foreign' evil mass murderers when your OWN government officials OPENLY INCRIMINATE THEMSELVES! I would almost welcome the nuclear war your stinking, psychopathic government is pursuing against Russia and China just to be rid of the brainless and criminally COMPLICIT moronic masses that infect the world today.

CLEARLY, the most heinous criminals in the world today are those responsible for destabilising the entire planet over the past fifteen years and creating rivers of innocent human blood in the process. Now, I have a simple exercise for all the empty-heads out there to perform, compare what Washington and Brussels criminals claimed before they embarked on their murderous, resource thieving spree with the current REALITY, which continues to unfold before you stupid EYES. But whatever you do stay tuned to your mass media and never believe your own EYES or common sense.

The REAL criminals responsible for the current horrendous reality we live in today are never accused of the crimes they have openly committed and therefore they continue to commit evermore horrendous crimes under your very noses.

If fifteen years of needless bloodshed, destabilisation, destruction and LIES does not provide proof then you deserve the reward you are about to receive. However, I'm aware from bitter experience the penny will never drop.
