### You are known by the company you keep, Brussels/Washington

The relationship between ISIS (Saudi/US proxy fighting group) and Turkey couldn't be closer, no surprise for the informed. The following video adds to the already indisputable criminal connection between ISIS and NATO Turkey. Now watch the lies, omissions and feeble propaganda that issues from the CFR controlled western mass media.

*"The signs will be there for all to read  
When man shall do most heinous deed  
Man will ruin kinder lives  
By taking them as to their wives.*

*And murder foul and brutal deed  
When man will only think of greed.  
And man shall walk as if asleep  
He does not look - he many not peep  
And iron men the tail shall do  
And iron cart and carriage too.*

*The kings shall false promise make  
And talk just for talking's sake  
And nations plan horrific war  
The like as never seen before  
And taxes rise and lively down  
And nations wear perpetual frown."*

This following video released by RT tells it from the ground in Northern Syria and what a truly sad story. Thank you Washington and Brussels for all the needless mayhem and murder. Please continue to support the heart of international terrorism, Saudi Arabia, and its complicit criminal ally, NATO Turkey.
