(The Ruling Plutocracy/Oligarchy)

I am often criticised for claiming that all Western governments are servile to nefarious elite interests. I am often branded a 'conspiracy theorist' by the media/propaganda-washed mindless herd; well, to clarify the point, indeed I am! Conspiracy is NOT a dirty word, it is part of the English lexicon, look it up and get an official interpretation. Better still, read this quote from a member of the Bilderberg and CFR elite, Rupert Murdoch. If you have any doubts about carefully researched claims, take it from the horse's mouth, not me:

David Cameron deferring to Murdoch

It's from an Anthony Hilton column in the [Evening Standard](#):

*"I once asked Rupert Murdoch why he was so opposed to the European Union. 'That's easy,' he replied. '**When I go into Downing Street they do what I say; when I go to Brussels they take no notice.**' "*

Of course the same applies to Australia, America and other Western nations influenced by the CFR -- a group that dictates policy to puppet governments and tailors 'packaged news' (propaganda) for Western nations.

Now choke on REALITY, you tragic, nose-ringed, MORONS!

Ask yourself, would you rather be sheep led to the slaughter by thin, clearly HOLLOW LIES, deceptions and fraudulent UN-REPRESENTATIVE PUPPET politicians (Turnbull/Shorten) or would you rather exercise your **democratic right/prerogative and vote INDEPENDENT REAL REPRESENTATIVES into office?**

In future do some research before you shoot your stupid, uninformed mouths off!

Former Oz PM Tony Abbott, unashamedly sucking up to his boss, Murdoch
