“We hold these truths to be self-evident; that all men are created equal; that they are endowed by their Creator with certain unalienable Rights; that among these are Life, Liberty and the pursuit of Happiness.

That to secure these rights Governments are instituted among Men deriving their just powers from the consent of the governed; that whenever any Form of Government becomes destructive of these ends it is the Right of the People to alter or to abolish it and to institute new Government, laying its foundation on such principles and organizing its powers in such form as to them shall seem most likely to effect their Safety and Happiness.”

[How did such a nation with clear democratic and moral principles allow itself to be hijacked by a wealthy, criminal, UNREPRESENTATIVE minority, which defies the most sacred principles of the nation, daily? Answer: "We the People" allowed it, and furthermore, we accept it by not acting in our own best interests according to the Declaration of Independence. And so the criminality and social oppression continues. SHAME on every American!]
