

Shoreless Sea

by zed *Friday, Apr 14 2017, 5:39am*

international / poetry / post

adrift in savage seas i sought refuge
and found none

seeking a shore on which to rest
i found none

pounded by waves and drowning i sought truth
before my demise and found nothing

almost dead, i realised the weight pulling me under
was my seeking/desire

ready to die, i released my desire/seeking

i am now adrift on a buoyant,
peaceful sea of limitless light
