This is without doubt the most important informative video on Youtube -- if you care about your lives and the nation link it to absolutely everyone you know and assist in restoring the nation and the world to sanity. And never forget the last word and most powerful action of reform is from and rests with informed PEOPLE, as has always been and always will be the case. We do NOT have to tolerate these CRIMINALS, which must be held to account, ALL of them. We are all able to DEMAND JUSTICE and see it REALIZED.

The TRUTH will set the People FREE and see CIA Criminals in Jail

Kevin Shipp was a decorated CIA officer who refused to look the other way in regard to government criminality and cover-up.

So, 'president' Trump, what are YOU going to do about it, 'lock 'em up', as you pledged, or remain a deep state-captured gutless and useless puppet president?
