C'mmon PEOPLE, Trump has always been a racist, HE WEARS IT ON HIS SLEEVE, so all the unjustified coverage, "shit hole (black) nations," is unwarranted. Surely by now everyone is aware that Trump would say or do anything to maintain his sick presence in the media.

Now if you truly wish to hurt Trump and his unbridled narcissism, CEASE FALLING FOR HIS TRICKS! Cease coverage of Trump anything, except for third person references, no pics or direct references -- GOT IT, morons in the media?
