

## Full "Nunes Memo" Formally Released

by Rep. Devin Nunes via jack - ICH *Friday, Feb 2 2018, 11:37pm*

international / prose / post

Many analysts describe the hysteria surrounding this memo as a massive distraction -- there is nothing new about FBI, CIA and NSA criminality; see this [recent post](#). We should never lose sight of the broader picture that these agencies serve deep state and criminal elite interests NOT the nation or people -- that is the REAL STORY behind the specifics of the memo, which memo, like a (media) cobra, has almost everyone fascinated at the expense of seeing the larger conspiracy.
