INDEPENDENT Oz Parliamentarian for New England, Tony Windsor, launched a scathing attack on the conservative opposition leader, Tony 'I'll do anything' Abbott, for his brazen American style hypocrisy.

Tony Abbott - 'The only thing I wouldn't do is sell my arse'.

Abbott had very characteristically just finished an attack on the hapless PM for her hypocrisy regarding the Carbon Tax -- what's new in government, a whore is a whore is a whore(?) -- however, Abbott did draw a line according to Tony Windsor, he would do anything to gain office except 'sell his arse!' But of course he already has, as has every other disgusting lackey Oz politician that sucks American Banker and Corporate arse. So is this really 'news?'

Selling your arse in politics is ROUTINE, Tony, so wouldn't it have been more honourable to just face that reality? Indeed, no Oz politician could cast the first stone at anyone.

Independent, Tony Windsor
