

Blow Whistle, Blow

by pauline *Monday, Jun 10 2013, 9:45am*

international / prose / post

Regardless of all the efforts anal and ultra-conservative personalities pursue to control everything; Bradley Manning, and more recently, Edward Snowden are examples of how it will always be. The tighter you turn the screw the more people with a conscience and courage will reveal the sordid secrets of government and the cabals that control it.

Edward Snowden

In the digital age it only takes one.
