

9/11, A Smoking Gun -- Essential Viewing for Thinking Citizens

by trudy *Sunday, Aug 26 2012, 2:13am*

international / prose / post

Better to inform yourselves with scientific data than surrender to irrational belief

Excellent investigative documentary from the Architects and Engineers for 9/11 Truth.

It is time to face some very disturbing facts regarding American government and the forces that control it.

Remember that 9/11 is constantly referred to by successive administrations to justify all America's invasive wars of resource appropriation in which MILLIONS of innocent civilians have been killed.
