Freedom fighters of the WORLD -- including all cyber forces -- it is now time to mount an offensive against the evil, mass murdering USA and genocidal, Zionist Israel.

IRAQ, it is time to remember the millions of innocents and 500,000 INNOCENT children slaughtered by America in its bid to steal your oil and install a Washington compliant puppet government.

The USA and its allies cannot manage a fight against universal FREEDOM and the right of every nation to live as it so chooses in peace without external interference or occupation -- the free forces of Iraq will liberate their nation as God earnestly Wills it!

Slavic SERBIA remember the demonisation of your innocent and victimised PEOPLE and ALL the orchestrated criminal wars the USA was directly responsible for fomenting; the wars that fragmented Yugoslavia and STOLE Kosovo from its rightful owners and handed it over to the Albanian KLA, a listed terrorist organisation.

Serbia, remember your noble past and how you have always fought against the odds and prevailed victorious. Nazi occupation forces learned to tremble in their sleep when Yugoslav fighters turned on them to eventually rid their land of the murdering fascist invader; it is time to LEGALLY regain your HEARTLAND by force, international LAW supports you -- rid Kosovo of the criminal usurpers and their American allies, God has always willed it.

Kosovo is the heart of Serbia and its people; what are a people and nation without a heart or a history? Take back what is legally yours, China and Russia cannot abandon you again.

LIBYA, and its Free citizens take up your weapons and eradicate the criminal terrorist fundamentalists the USA has installed to oppress and govern you while it steals your precious natural resources. Libyan citizens, it is time to restore your society and take your place once again as Africa's fastest developing nation -- unite against the foreign filth that pollutes your beautiful land. History records that every foreign invader has been vanquished by the lion-hearted Free people and tribes of Libya.

SUDAN, YEMEN, ETHIOPIA, SOMALIA -- and the entire African confederation -- remember Patrice and all great African leaders assassinated by the American CIA; remember how America built its nation on the blood and bones of African slaves; remember this evil nation as it interferes in African affairs TODAY. It is time to rid the entire AFRICAN CONTINENT of America and its European lackeys! Vanquish the colonists.

AFGHANISTAN the brave, the relentless, the victorious; no-one has EVER conquered Afghanistan and its fearless fighters, remove the invader and its puppets from every province and region; restore the clans and tribes -- Afghanistan, "Graveyard of Empires," bury the USA and its puppet government in Kabul.

SYRIA the tormented, stand firm against the LIES and machinations of Israel and America, the world

is aware of their stripe -- on every front ATTACK and rid the nation of hired American killers and mercenaries.

On every front, in every abused nation that America has disrupted and destabilised, attack, attack, ATTACK relentlessly and remove the child killing foreign filth from your sacred soil.

It is time for a synchronised GLOBAL OFFENSIVE against the evil that steals, destroys and pollutes the world. It is time to rid the planet of the star-spangled evil that infects OUR planet! Co-ordinate your strikes BEFORE America plunges the world into nuclear war, chaos and unimaginable hardship! I speak Truth.
