Every incarceration at Guantanamo Bay is a direct violation of the Universal Charter for Human Rights -- hang your head in shame, Ban Ki Moon, you reprehensible puppet and stooge.

A travesty like this history never forgets -- Guantanamo is the true face of America and its hypocrisy, criminality, torture and LIES. Detainees are for the most part innocent pawns for American propaganda -- does their innocence mean anything to Obama, a trained lawyer, or does Guantanamo represent the reality of American double standards, lies and hypocrisy? Every American is compromised by Guantanamo Bay.
