A must see video on the reality on the ground in America; the difference between the media induced dream and ACTUAL REALITY couldn't be more pronounced.

Disseminate this video widely -- it's about time we confronted some hard realities.

Obama and his AG, Eric Holder, are token blacks, both serve without question a pure white plutocracy. In this sense both 'men' (contemporary SLAVES) are reprehensible TRAITORS to their race and the INTEGRITY of their office.

Now consider; Martin Luther King, Malcolm X and countless other black activists, men of INTEGRITY, that were assassinated by the WHITE PLUTOCRACY, yet WE ALLOW these two lackeys to live and serve their WHITE masters to OUR great COST!

It should never be forgotten that Obama regularly orders Drone command to murder BLACK people in Africa -- he does this expressly at the behest of a WHITE ruling elite, which also compose the kill lists for him to execute. Do NOT be deceived by black uncle Tom's serving white interests -- treat them as you would any traitorous DOG!

Two reprehensible, traitorous, dogs!
