

NAM - 118 Nations 'with the terrorists'

The 16th non-aligned movement summit hosted by Iran winds up on the 31 August and what a historic summit it was; if not for the conferences, new alliances and future plans, certainly for the assertion of national INDEPENDENCE of the 118 nations that attended. We recall now with considerable mirth America's feeble and simplistic attempt to dominate the world by dividing it into two camps. George Bush's now historically imbecilic ultimatum will go down in infamy; after the [false flag 9/11 attacks](#) Bush arrogantly stated to the world, "*you're either with us or you're with the terrorists!*" I wonder if Washington has added 118 nations to its terrorist list?

In conclusion the entire FREE WORLD would like to say, '*blow it out your arse, America,*' as it is clear the world's leading civilian killing, terrorist nation -- with over SIX million innocent lives to its 'credit' since the Vietnam war -- is 'genital groping' and 'indefinite detention,' America!

We sincerely hope you enjoy your newfound status as the world's most reviled pariah nation. We sincerely hope that you attempt to bomb the entire world into submission, you rustic, mass murdering criminals -- "*we came, we saw, he died,*" indeed!
