international / prose / post

Take the time to watch these accurate video documentaries and you will no longer be in any doubt about who and how our nations are ruled.

There are numerous solutions to breaking the chains of debt bondage and restoring real democracy; a weighted international currency and people's (nationalised) banks are viable alternatives to the financial despotism of today's system. All it takes is co-ordinated unified action from the people, or would YOU rather the financial slavery that exists today?
