i look at u u look at me do u see what i see?

there is nothing there to see! but do u see what i see?

i turn,u look at meturning,do u not see?

u look but do not see (me turning)

what is there to see?

u lift ur head arch ur back and reveal ur naked crotch

i look
at ur eyes and see,
do u see
what i see?

u move ur naked thighs closer i look past ur shoulder, do u see what i see?

u see that i do not see what u want me to see u push me down straddle my chest and push ur cunt in my face but u do not see what i see
